UPDATE	<b><u>COVID UPDATE – DELTA VARIANT</u></b>  Mr. Aaron Kissler, Administrator/Director/Health Officer for the Florida Department of Health (FDOH) in Lake County, said that his organization continued to perform contact tracing. He mentioned that in the previous week, they had slightly over 400 coronavirus disease 2019 (COVID-19)	ROSEN

	<p>cases, which may have been due to the delta variant; furthermore, he stated that people most likely saw that the delta variant would become the next dominant variant. He relayed that they had detected 13 delta variant cases in Lake County, though the vaccine looked to be effective toward this variant. He mentioned that Lake County was at 57 percent of its population vaccinated, noting that FDOH was still working with individuals and conducting several events per week. He also said that they were encouraging people who had not received the COVID-19 vaccine to discuss it with their doctor. He concluded that they were still available for vaccinations and testing at their three sites in the Cities of Leesburg, Umatilla and Clermont.</p>	
<p>APPROVED</p>	<p><b>Tab 1.</b> Request for approval of the minutes for the BCC meetings of December 21, 2020 (Special Meeting), January 26, 2021 (Special Meeting), and March 23, 2021 (Regular Meeting).</p>	<p>COONEY</p>
<p>FOR YOUR INFORMATION</p>	<p><b><u>COMMISSIONERS' BOARD AND COMMITTEE UPDATES</u></b></p> <p>Commr. Shields reported on the Elder Affairs Coordinating Council.</p> <p>Commr. Campione reported on the Early Learning Coalition, the Wekiva River Basin Commission, and the Lake County Water Authority (LCWA).</p> <p>Commr. Blake reported on the Children's Services Council and the Lake-Sumter Metropolitan Planning Organization (MPO).</p> <p>Commr. Smith reported on the Florida Association of Counties (FAC).</p> <p>Commr. Parks reported on the Lake County Historical Society.</p>	<p>PARKS</p>
	<p><b><u>CITIZEN QUESTION AND COMMENT PERIOD</u></b></p> <p>Ms. Cristi Susewitt, a resident of Lake County, mentioned a County budget goal to facilitate and coordinate the delivery of services to those in need. She remarked that in the 1960s, the County had tracked an indigent care list, and that the Board of County Commissioners (BCC) had approved monthly stipends to move individuals toward self-sufficiency. She added that this stopped being done in 1989, and that We Care of Lake County was formed in 1994. She said that in 2016, the majority of North Lake residents voted to fund indigent healthcare through their property taxes until 2026. She explained that the tax supported the primary, dental and mental health care for those experiencing poverty, and she expressed appreciation for this. She mentioned that the North Lake County Hospital District (NLCHD) was audited and conducted performance reviews, noting that almost 13,000 patients were served and their highest per-patient cost was given to the mental</p>	

health facility. She also opined that the NLCHD currently functioned within the limits of the intended legislation. She mentioned that 53 percent of patients, which was over 6,700 visits, were served outside of a hospital. She asked the BCC to consider holding a referendum vote to pass a 0.5 percent indigent care sales surtax, and to create an indigent care council to oversee the sales surtax funds and report to Commissioners.

Ms. Erica Esterson, a kindergarten teacher, thought that the County was going to have a workshop regarding the Lake County Animal Shelter on the current day; however, it had been moved to the August 10, 2021 BCC meeting and she would not be able to attend on that day. She read a statement from Ms. Lisa Holland Martinez which relayed concerns about a response from the animal shelter regarding kittens which required medical attention. She then read a letter from Ms. Sandra Delaney with similar concerns. She stated that she trapped and released cats, and got them spayed or neutered, and she relayed that other individuals had told her that they tried to receive help from the animal shelter but could not get it. She opined that there was inconsistent implementation of the Lake County policy, and that they needed a citizen's oversight committee to address concerns.

Ms. Cheryl Brown, a volunteer for Hoffmeyer Animal Rescue, read a letter from Ms. Vonda Kay, who was also with Hoffmeyer Animal Rescue, which indicated a desire to work in partnership with the County and other rescues to save animals. She then opined that there was a significant issue with overpopulation, illness and injuries of cats in the county, and she expressed concerns that there seemed to be no real help other than private sources. She indicated concerns for the cost to surrender kittens, and she opined that the shelter should be measured by how many animals they saved, rather than live release. She also thought that there needed to be a meeting or workshop that involved all of the population.

Mr. Vance Jochim, a concerned citizen, questioned why local government did not track spending per resource like businesses did, and compare it to peer agencies. He opined that Lake County should be a member in the Florida Benchmarking Consortium, and he expressed concerns for there not being discussion of certain items on the consent agenda. He relayed his understanding that the County had not been using internal audit appropriately for two or three years, and he opined that the County needed to shift to a cost focus.

Mr. David Serdar, a resident of the City of Fruitland Park, made comments related to local government issues.

Mr. Mike Stephens, with The Lake 100's trails committee and Friends of Lake County Trails, thanked the BCC for their funding in the previous year

	<p>for the Tav-Dora Trail and North Lake Trail project development and environment (PD&amp;E) studies, and for the BCC’s legislative priorities which resulted in \$2 million for the design funds for the Wekiva Trail, along with \$2 million to complete the Green Mountain Connector. He said that there was currently no local designated funding for trails, and he requested a more significant ongoing funding source for trails due to the investment that the BCC was making, the estimated 7:1 return on investment for trails, the economic impact, and quality of life. He stated that there was currently over \$35 million in trail projects, and he estimated the current needed amount for all four regional trails at around \$75 million. He encouraged the Board to investigate other Central Florida communities regarding funding sources for trails, and he asked the BCC to at least fund trails in the following year at the same level as the previous year for about \$1 million. He elaborated that this would address the feasibility study for the North Lake Trail, the River to Hills Trail 1 and 2, the feasibility study for South Lake to the City of Tavares, a feasibility study for the Central Lake Trail, and to partner with the City of Leesburg on their feasibility study for the Lake Denham Trail. He remarked that this would be about the same amount as the County spent in the current year on PD&amp;E studies, noting that this would get these trails eligible for State funding. He added that his organization would like to accelerate the County’s five year work program over the following two years, but noted that this would take significantly more funding. He also asked that when the Board discussed the American Rescue Plan Act (ARPA) funding, to set aside funding to cover any shortfall in the Green Mountain Connector, in addition to going ahead and building the River to Hills Trail. He expressed appreciation for what the Board had done.</p>

FOR YOUR INFORMATION	<p>Ms. Jennifer Barker, Deputy County Manager, noted that the August 3, 2021 Planning and Zoning BCC meeting had been cancelled because the July 7, 2021 Planning and Zoning Board meeting had been cancelled due to Hurricane Elsa; therefore, they had no cases to bring to the BCC.</p>	BARKER
FOR YOUR INFORMATION	<p>Ms. Barker said that the City of Clermont was looking to have a portion of County Road (CR) 455 renamed, and that they had offered the suggestions of “Champion’s Choice Parkway” and “Ray Goodgame Parkway.” She added that the City would like for the County to provide input.</p> <p><b>The Board indicated consensus for renaming a portion of CR 455 from State Road (50) to Hartwood Marsh Road to “Ray Goodgame Parkway.”</b></p>	BARKER
FOR YOUR INFORMATION	<p>Ms. Barker stated that they would need to have a July 27, 2021 BCC meeting, noting that a couple of Commissioners would not be in attendance and that it was important to have a quorum. She elaborated that they had a few items that needed to be approved by the end of July 2021.</p>	BARKER
FOR YOUR INFORMATION	<p>Commr. Shields relayed that he was moving forward with a possible community center in the Four Corners area, noting that Mr. Alan Rosen, County Manager, and himself had met with Mr. Jeff Cagan, who had land behind a hospital there. He added that he was also going to meet with Commissioners from other Counties in Four Corners and see if their Boards were interested.</p>	SHIELDS

FOR YOUR INFORMATION	Commr. Campione said that she had met Mr. Bobby Bonilla, Director for the Office of Parks and Trails, at the Neighborhood Lakes Trailhead. She encouraged the BCC to visit the trail, and noted that it was exciting to see it come to fruition. She also mentioned that she had a meeting scheduled on July 29, 2021 with stakeholders who were interested in what was happening there.	CAMPIONE
FOR YOUR INFORMATION	Commr. Campione commented that the County had been trying to negotiate with the Florida Department of Transportation (FDOT) to get a piece of property on the Lake County side of the Wekiva River conveyed to the County to have a canoe or kayak launch. She said that this seemed to be materializing because once the bridge construction was done, FDOT would not necessarily have a purpose for the land.	CAMPIONE
FOR YOUR INFORMATION	Commr. Parks thanked staff and the BCC for participating in the Liberty Tree ceremony.	PARKS
FOR YOUR INFORMATION	Commr. Parks mentioned the joint planning effort between the City of Eustis and the County in the Thrill Hill Area, noting that there was a meeting scheduled on August 23, 2021.	PARKS
