FOR YOUR INFORMATION	Commr. Smith expressed appreciation for the department presentations, and commented that they were well done.	SMITH
FOR YOUR INFORMATION	Commr. Blake mentioned that Purdue University had developed a system to convert plastic waste into a usable diesel fuel, and wondered if American Rescue Plan Act (ARPA) funds could be used to do that. He commented that since diesel fuel was used in many of the County's vehicles, it could be good to invest in a system that used recyclables to convert plastic waste into usable fuel.	BLAKE
FOR YOUR INFORMATION	Commr. Blake related that the County saved money by partnering with Enterprise for light trucks that were sold at the end of the year, and he wondered if the Lake County Sheriff's Office (LCSO) could also benefit	BLAKE

	from this partnership, adding that it could be a source of cost savings for the County.
