FOR YOUR INFORMATION	Commr. Parks recalled that in March 2022, the County had a rally for Ukraine with various speakers. He commented that Mission 823, one of the speakers, had let him know that there was an interest in Ukraine, noting that Ukraine had oblasts which were essentially counties. He added that there was an interest in doing a sister county relationship, and that he wanted to see if the Board had any comments or issues with this. He clarified that there was not currently a decision on this, and that it was just regarding whether he should pursue this. He also indicated that there would be no fiscal commitment or requirements on the County's part to honor or say something, noting that it would strictly be a sister county relationship. He said that before the Board did anything, they would see a resolution or proclamation first.	PARKS
