STATE OF FLORIDA – EPORTAL USER DOCUMENTATION

Introduction:

The purpose of this document is to provide you, the e-Filer, with information necessary to file court case documents via the State of Florida’s Statewide E-Filing Court Records Portal – commonly referred to as the “ePortal”. The contents of this document will step you through the process of registering as a new e-Filer, managing your User Account, filing documents through the ePortal, generating reports and making payments for filings submitted via the ePortal.

As with documentation for any new system being deployed, this document will be revised as necessary to reflect modifications and enhancements to the ePortal.

Account Registration:

Prior to utilizing the State of Florida e-Portal filers must create an account. Filers can access the ePortal’s log-in page, by typing the following URL into their web browser: www.myfilingcourtaccess.com. Filers will be directed to the State of Florida ePortal’s Welcome Page.

Welcome to the Florida Courts eFiling Portal

The Florida Courts E-Filing Authority, through agreement with the 67 Clerks of Court, has established the goal that on or before July 1, 2012 all clerks will be prepared to accept eFilings through the Florida Courts ePortal, in the civil divisions (defined as circuit civil, county civil, probate, family, and juvenile dependency) and by December 31, 2012 for criminal divisions (defined as circuit criminal, county criminal, criminal traffic, civil traffic, and juvenile delinquency).

Please remember, rule 2.525, Rules of Judicial Administration, requires that any document filed electronically must be followed-up and filed with the Clerk as a paper document, with original signatures, during the first 90 days of eFiling. For this reason, the local Clerk's office may limit the number of filers participating in the eFiling Portal during the first 90 days of operation. Please contact your local Clerk's office for more information.

Filing Options / Links

The State of Florida ePortal filing management links are located under the Filing Options Menu on the screen. In addition, for ease of use these links are also located in the upper right corner of the screen.

The screenshot shows the ePortal interface. In the top right corner, there are navigation links: [My Filings Existing](#), [Notifications New Case](#), [Sign Out](#), and [Simple E-File](#). A blue box highlights the top left area. In the bottom left, the 'Filing Options' menu is open, listing: [My Filings](#), [Existing Case](#), [New Case](#), [Simple E-File](#), and [Email Log](#). Lines connect these menu items to their respective links in the top right. The main content area shows a 'Simple E-File' section with a 'To Add a file' instruction and a 'To Remove a file' instruction. Below this, there are dropdown menus for 'Type Of Case' (with 'Trial' selected) and 'Division' (with 'Select' selected). The user's account information is visible at the bottom right: 'Welcome - Father Miner' and 'Last signed in on - 02/24/2011 11:40:52 AM'.

Each filing management link is discussed below:

My Filings

The **My Filings** link allows filers to view a list of filings they have entered using the ePortal. This page allows the filer to view the status of the filing and create a list for a date range. The following is a summary of the information that is contained within the **My Filings** screen:

- **Filing #:** The portal assigned reference number for your filing.
- **Case #:** The Case Number assigned to the filing. When the filer submits a new case this column will read **NEW CASE** until the case number is assigned by the clerk; once the Clerk assigns a Case Number it will display.
- **Status:** The status will reflect one of the following: **Pending Review, Being Reviewed, Filed, Pending Queue, or Filed for Judicial Review**
- **County:** The name of the county the case is filed in.
- **Division:** The court division the case is filed in.
- **Submission Date:** Date the filer submitted the filing on the portal.
- **Completion Date:** Date the filing was processed by the Clerk's office.

Note: To expand each filing for more details, click the box to the left of each filing.

Note: Items in the drop down lists are dependent on what is available on the ePortal and by the county. Initially the Type of Court dropdown contains only Trial court. As e-Filing continues other court types will be added to the court types allowing e-Filing. As a county begins participation in e-Filing they will be added to the County dropdown. If the county is not displayed in the dropdown they are not currently participating in e-Filing. Each County determines the Divisions participating in e-Filing. Not all divisions in a county may initially participate in e-filing. As a county brings up a new division it will be listed in the dropdown for the county.
