Review the Following Important Information Carefully

Section 2 – Confirm prior membership

If you answered NO - Not Previously Enrolled in the FRS

A New Hire Kit will be mailed to your address on file with your employer within 30 to 60 days after your hire date.

- You are responsible for ensuring your retirement plan election is received by the Plan Choice Administrator on or before 4:00 p.m. ET on the last business day of the 8th month following your month of hire.
- If you do not submit an election choice, the Investment Plan will be considered your initial election by default. Exception: If you are enrolled in the Special Risk Class, the Pension Plan will be considered your initial default election.

If you answered YES - Previously Enrolled in the FRS

- If you were previously enrolled in the FRS, made an active election or defaulted into the FRS Pension Plan or FRS Investment Plan, and separated employment without retiring you will not receive a new choice window. You will continue to participate in the plan you were enrolled in at the time of separation and continue to accrue service credit under that plan.
- If you were previously enrolled in the FRS and did not make an election between the FRS Pension Plan and FRS Investment Plan during your previous enrollment in the FRS, you will receive a choice window with a designated choice deadline. This would include those who have never had an opportunity to make a retirement plan election, members with Pension Plan service prior to July 1, 2002, and who return to FRS employment today, and new hires on or after July 1, 2002 who had an election period established previously but separated employment before making an election or defaulting.
 - You are responsible for ensuring your election is received by the Plan Choice Administrator on or before 4:00 p.m. ET on the last business day of the 8th month following your month of hire.
 - If you do not submit an election, the Investment Plan will be considered your initial election by default. Exception: If you are enrolled in the Special Risk Class, the Pension Plan will be considered your initial default election.
 - If you elect or default to the Investment Plan, any accrued value you may have in the Pension Plan will be transferred to your Investment Plan account as your opening account balance and is subject to the vesting requirements of the Pension Plan. The initial transfer amount is an estimate, and your account will be reconciled within 60 days of the transfer using your actual FRS membership record pursuant to Florida law. You direct that all future employer and employee contributions be deposited in your Investment Plan account.

Section 3 – Confirm Retiree Status

If you are a Pension Plan retiree, you understand:

- If you are reemployed within six calendar months of retirement in any type of position with an FRS-participating employer, your retirement and DROP status (if applicable) are voided, all retirement and DROP benefits you received must be repaid, and you must reapply for retirement to receive future benefits.
- If you are reemployed during months 7 through 12 after retirement in any type of position with an FRS-participating employer, your monthly retirement benefit must be suspended and any overpaid benefits you received must be repaid.

If you are an Investment Plan SUSORP, SCCSORP, or SMSOAP retiree, you understand:

Similar provisions apply to overpaid SUSORP, SCCSORP, or other state-administered plan distributions – contact that plan's administrator for details.
- There is one exception to the restrictions on reemployment limitations after retirement. If you are a retired law enforcement officer and are reemployed as a school resource officer by an FRS-covered employer during the seventh through twelfth calendar months after your retirement date or after your DROP termination date, you are eligible to receive both your salary and retirement benefits during this period.
- Effective July 1, 2017, retirees of the Investment Plan, SUSORP, SMSOAP, SCCSORP are eligible for renewed membership in the Investment Plan, SUSORP, SMSOAP, SCCSORP. You must be employed in an FRS-covered position on or after July 1, 2017 in order to have renewed membership. Renewed members may not use a second election to change to the Pension Plan.
